■ Dimension (L x W x H in mm)	
■ Temperature (°C)	■ Weight (g)

Content to heat up (in case of liquid heating)

■ Material	
■ Temperature (°C)	■ Weight (g)

¹⁾ Please note that for any new shape of the mat we bill a unique and fixed cost of tools and customization of 250 Euro. This customized tooling will be kept in our laboratory for 12 month after last order.

²⁾ Clean honing can only be guaranteed at temperatures up to 160 °C and a smooth cleaned surface.
